Great Falls, Montana — Visit Great Falls has launched *Deck the Falls*, a new holiday celebration coordinated by Tourism Event Planner Liz Lauver. The event brings two festive competitions—**Holiday Glam Slam** and **Clash at the Course**—to the community and works in conjunction with the longstanding Candy Cane Lane (opening Saturday, December 13th) to create an even brighter holiday season in Great Falls.

“Great Falls has all the makings of a ‘perfect Christmas town,’ and Deck the Falls really brings that to life. It’s a festive way for both locals and visitors to celebrate the season while giving back to organizations doing great work in our community,” said Lauver.

Clash at the Course: A Christmas Light Showdown

Local nonprofits will transform Anaconda Hills Golf Course into a glowing trail of holiday displays during six nights of lights and friendly competition.

Event Dates: December 5, 6, 12, 13, 19, and 20

Time: 5:00–8:30 p.m.

Visitors can stroll the path, enjoy free hot cocoa, vote via text for their favorite display, and support participating nonprofits through optional donations.

Holiday Glam Slam

From December 5–20, Great Falls hotels will go head-to-head in the first-ever Holiday Glam Slam, decorating their lobbies in creative, festive themes. Guests are invited to explore each lobby and vote for the hotel that captures the most holiday cheer.

Participating hotels: O’Haire Inn, Hotel Arvon, Staybridge Suites, Best Western Plus Riverfront.

More information and voting details are available at visitgreatfallsmontana.org/deck-the-falls/

ABOUT GREAT FALLS MONTANA TOURISM

Great Falls Montana Tourism is the official Destination Marketing Organization (DMO) for Great Falls, Montana. Our objective is to encourage visitors to experience Great Falls as Montana’s Basecamp for Art and Adventure, staying overnight to explore all the community has to offer. From outdoor adventures to local events and unique attractions, we highlight the best of our community, making it easy for visitors to enjoy an extended stay.
